The image shows a grid of symbols on a white background. The grid consists of 17 rows, each labeled with a number from 117 at the top to 170 at the bottom. The symbols are arranged in a pattern that suggests a crossword puzzle or a code. The symbols include various letters (both Cyrillic and Latin), numbers, punctuation marks, and other special characters. The pattern is mostly black and white, with some colored symbols appearing in certain cells. The overall appearance is that of a complex grid-based puzzle.
